**Looking for a role where you can further your carpentry skills in a supportive environment?
Want to work on a variety of jobs from a residential renovation or extension to a full
commercial fit out? If so, then we would love to chat with you!**

We are a reputable family owned building company who has been building and renovating Sydney's best family homes for over 40 years. We specialise in the design and construction of all aspects in home renovations and alterations.

Due to a continued large influx of work we require a full time experienced carpenter ready to join our growing team for an immediate start.

Role Responsibilities:

- Carpentry and General Building
- Liaise with supervisor, staff, subcontractors and clients
- Work with a team of carpenters, apprentices and labourers
- Adhere to and enforce Workplace Health and Safety Procedures and Safe Work Practices

Qualification Requirements

- Certificate III or Higher
- Minimum 5 years' experience in the building industry
- Extensive experience in all aspects of residential construction, primarily renovations, additions and alterations
- Experience as a leading hand will be highly regarded
- Must have reliable (and appropriate) transport plus all essential carpentry tools relating to the job.

In return we can offer you stable long term employment with a reputable company. Hourly rate will be based on experience and qualifications.

This full time role would ideally suit someone who is looking to further develop their skills and building knowledge. If you think this role is for you, then we would love to speak to you.

Applicants must have the right to work in Australia.
